Dear Jim:

There has been a delay in the soil sampling of the property at 58th and Franklin Street. The U.S. Environmental Protection Agency sent me a more recent Access Agreement for execution by both of us.

When we spoke many months ago about this soil sampling, you said it was "okay" to go ahead with testing. I agree, and would ask you to execute this document. Please return it, and upon receipt, I will also sign it and forward it to the E.P.A.

Very truly yours,

Patrick A. Grant
